

*HAVING THE RIGHT TOOLS CAN
MAKE ALL THE DIFFERENCE.*

Office provides you with cloud-based access to all your favorite Microsoft Office applications on a pay-as-you-go basis. For a low monthly fee, you can have Office on up to five devices per user, giving you the latest versions of popular Microsoft tools like Outlook, Word, PowerPoint, Excel and more.

Plus, Office comes with a financially-backed service level agreement, which guarantees your data will be secured and available around the clock on any device. And your implementation plan will include our expert migration assistance to ensure your first impression is seamless.

Work anywhere, work together, work smarter.

Get all the same, rich Office features on your PC, Mac or mobile device through a native app or streamed live from the Web. Communicate and collaborate with such powerful tools like One Drive for Business, SharePoint Online, Power BI Pro and Skype for Business. Leverage the convenience of the cloud for your business productivity.

Features

- Financially backed 99.9 percent uptime, geo-redundancy, disaster recovery and powerful security
- Pay-as-you-go pricing options, which provide predictability and flexibility
- Get only the licenses you need for each user
- Office 365 Self-Service Product ordering kiosk included
- Includes 5 Installations on PC or Mac & up to 1TB of OneDrive Storage
- Migration assistance from real AppRiver employees who know how to support your business
- Upgrades happen automatically so your IT management costs go down
- Standardized tools mean you don't need to remember multiple log-ins or learn new applications for each device
- Our Advanced Email Security, Email Encryption and Email Archiving solutions work seamlessly with Office 365 so you can secure your email with one click
